| Important Note : For peak periods (Xmas, NY, Feb half term & Easter), we strongly recommend that you book as early as possible and in any case at least 6 weeks prior to the required dates. Morning lessons tend to get booked up first and therefore we may only be able to offer afternoon classes within 6 weeks of departure. In some resorts, English speaking instructors may not always be available, particularly at peak times. Please note that lesson times are subject to change right up until the last minute. Outside French school holidays, the Ski School reserves the right to cancel group lessons should numbers be insufficient. If numbers are low, children may join adult ski school groups. Cancellation or modification of your lessons between 16 and 0 days before departure will incur a cancellation charge of 100%. | | | | | | | |
| Our prices are calculated at the exchange rate that applies when our currency is bought. We cannot always guarantee that prices will be cheaper than in resort but you can be assured that if the pound depreciates, you will not be charged more for your equipment, enabling you to budget for your holiday at the time of booking. | | | | | | | |
